# *The Results Have*

The steer and heifer calves sold through this sale in the past have made enviable show and daily gain records. Many letters such as the one on the opposite page have been received from satisfied customers. On some of the steers the daily rate of gain has exceeded three pounds per day. The steers for this year's sale are another fine group.

Again this year the association is offering premium money to the purchasers if they show their calves to first place or grand championships in the respective counties where the calves are exhibited.

Mr. Ned W. Place, Sale Mgr.

Box 37

Wapakoneta, Ohio

Dear Mr. Place:

I am writing to tell you how the calves that we purchased at the Northern Indiana Shorthorn Sale at Huntington September 18, 1954, placed in our Montgomery County 4-H fair.

I bought three calves and my son Dick showed calf lot 59, bred and owned by John Scranage, Ashley, Indiana. He won first in the heavyweight class and champion over all Shorthorn classes.

My son Ronnie showed calf lot 67 bred and owned by Edgar A. Hummer, Dunkirk, Indiana. He won second in the Middleweight class. Calf lot 64 was shown by my son Dean and won fifth in the heavyweight class. This calf was consigned by M. N. Baxter of Thorntown, Indiana.

Our neighbor George Martin bought two for his daughter Sandra. Calf lot 51 from Dale Van Voorst herd at Columbia City, Indiana placed first in the middleweight class, calf lot 77 from Wm. Clouse Albion, Indiana placed fourth in the heavyweight class.

We were very pleased with these results and thught you might like to know about them. We are taking the champion 59 and calf 64 to the State Fair entered in the 4-H show. To say the least our hopes are high.

As soon as the catalogs for this years sale are ready we would appreciate having one as we are all interested in attending again.

Cordially,

Burrill Denhart
